

EUSAIR 4 Youth

Programme: **EUSAIR/European Commission, DG Regio**

Beneficiary Organisation: Durrës Municipality and UniAdrion

April 2022- January 2023

Objective: The project main objective is to reinforce the sense of Adriatic Ionian Community thanks to the empowerment of cities, youth, universities and association/organizations coming from 9 EUSAIR countries.

Main project results:

- EUSAIR, inclusion through sport
- Student political EUSAIR paper competition 2022

Action 1: EUSAIR, inclusion through sport

EUSAIR Sport Event, is **capitalisation of ANIMUS Youth Games** that took place in September 2019 in Ancona (financed by Erasmus +)

Three days Sport Event: **Basketball 3x3, has been organized in Durrës from 7-9 September 2022.**

16 teams from 8 EUSAIR countries.

Each team composed of 4 basketball players and 1 coach, **a total of 80 participants (athletes).**

Each country has been represented **by 2 teams**: one team composed **of boys** and one team composed **of girls.**

Target group:

Young athletes of 15-16 years old

Action 2: Student political EUSAIR paper competition 2022

The ACTION 2, “Promoting and implementation awareness among the youngs of the Adriatic-Ionian region, about EUSAIR and EU opportunities” has been managed by UniAdrion, Association of Universities of the Adriatic and Ionian Region and it is divided in three sub-actions:

Action 2.1: Online intensive training course on “EUSAIR and EU opportunities”

Action 2.2: “EUSAIR academic young’s contest: How the young’s can contribute to EUSAIR?”

Action 2.3: Brussels’ week
