# Priority: 3 - A more social Danube Region

## Priority 3 OBJECTIVE 3.1

### Accessible, inclusive and effective labour markets

The Programme supports actions aimed at integrating **disadvantaged groups** into the labour market, with special attention on regions that display high proportions of disadvantaged, along with addressing **labour migration** and **skills gaps**.

**Priority 3**  
**OBJECTIVE 3.2**

**Accessible and inclusive quality services in education, training and lifelong learning**

The Programme addresses policy development and actions supporting **accessible and inclusive education** with innovative models, programs and tools. New solutions towards **vocational education and training** to address rural disadvantage and **out-migration** are also anticipated.

**Priority 3**  
**OBJECTIVE 3.3**

**Socio-economic development  
through heritage, culture and  
tourism**

The Programme supports actions developing accessibility to and creating value from the understanding and use of local heritage and culture, particularly from tourism. Actions should encourage economic and social development with active and inclusive involvement from local communities in the planning and management of local assets.
